FORORD

Offisiell informasjon om planteforedlerrett og nasjonal sortliste gir opplysninger om søknader om planteforedlerrett (rettsbeskyttelse av plantesorter) og søknader om godkjenning av plantesorter for opptak på den offisielle sortlisten, sortenes navn, foredlere, eiere, norske representanter og endringer i disse forhold. Listen gis vanligvis ut fem ganger i året; 30/01, 30/03, 30/05, 30/08 og 30/11 og publiseres på Plantesortsnemndas nettsider: <http://www.plantesortsnemnda.no/offisiell-sortliste>

Artene er ordnet alfabetisk etter botanisk navn. Innledningsvis finnes en oversikt som viser artene ordnet alfabetisk etter norsk navn med tilhørende botanisk navn. Kolonne 'Nr' viser det nummer (søknad-/registreringsnummer), sorten er tildelt av norske sortsmyndigheter. Kolonnene 'Merknad' gir ulike opplysninger om sortene. Se tabell over merknader for forklaring av kodene.

Navn og adresser for foredlere, vedlikeholdere/eiere og fullmektiger, tilsvarende tallkodene, finnes bakerst i denne publikasjonen.

Innsigelser mot søknadene eller navneforslagene må sendes Plantesortsnemnda innen 30. april 2020.

PREFACE

The Official Notices of Plant Breeder's Right and the National List of Varieties lists applications for plant breeder's right and approval of varieties for national listing, proposed variety denominations, breeders, owners, Norwegian agents and alterations of these facts. The publication is normally issued five times a year; 30/01, 30/03, 30/05, 30/08 and 30/11 and is published at the web pages of The Plant Variety Board: <http://www.plantesortsnemnda.no/national-list-of-varieties>

The species are listed in alphabetic order according to their botanical names. In the Register the species are sorted alphabetically according to their Norwegian names. Their corresponding botanical names are given. Column 'No.' shows the number (application/register number) given the variety by the Norwegian Plant Variety Authorities. Column 'Remarks' gives miscellaneous information about the varieties. See table of 'Remarks' for descriptions.

The names and addresses of the breeders, maintainers/owners and agents, corresponding to the number-codes, is at the end of this publication.

Objections against the applications or denominations must be in the hand of The Plant Variety Board no later than April 30.th 2020.
